FOREWORD

"Time is infinitely long and each day is a vessel into which a great deal may be poured . . ." wrote Goethe . . . as we look back across the years on this fortieth anniversary of the publication of the *Alfarata* we are made aware of the wisdom in this statement . . . To us, the editors and staff members, has been given the task of presenting a living picture of one fortieth of the total lifespan of the Juniata yearbook . . . a fraction of time containing events too numerous to be individually listed . . . too important to each of us to be entirely neglected.

On the pages of this book we have attempted to recapture many of the memories and friendships of the past year . . . a year of accomplishments . . . academic achievements for some . . . and for the college itself, the acquisition of a new building . . . sportwise—a year of excitement and victory . . . a year of anxiety . . . a year of happiness . . . and most of all a year comprised of those everyday occurrences that make college life what it is . . .

For you, the Senior Class of 1958 . . . perhaps the year has been an active one . . . a nostalgic experience . . . It is to you, our special readers, that we present the Fortieth Anniversary edition of the *Alfarata* with the sincerest hope that within these pages can be found an enjoyable climax to your years on College Hill.

A black and white photograph of a brick archway. Two people are standing in the shadows of the arch. The person on the left is wearing a light-colored coat, and the person on the right is wearing a dark jacket and pants. The brickwork is detailed, and the scene is dimly lit.

PRESIDENT CALVERT N. ELLIS

President Calvert N. Ellis, Juniata's sixth president, is looked up to by students and faculty alike . . . His fine personal attribute, his congeniality and recognized ability are but a few of the reasons for his popularity. . . . The functions and duties of a college president are many and varied yet to each of these Dr. Ellis devotes his complete integrity . . . Despite a pressing schedule, he finds time to visit with the students and take part in a great many campus affairs. . . . Many of the President's responsibilities require him to make extended trips including a three-month tour of the world in 1955-56 . . . Juniata's can be proud to be represented by such a fine personage . . . For these and many other reasons, we, who are members of the Juniata family, feel that our college would not be nearly so fine were it not for our president.

DEANS HAVE A FULL SCHEDULE IN COLLEGE LIFE

Ever on hand to guide, counsel, and encourage.

... Our three deans—Doctor Morley Mays, Dean of the College—Barbara Bechtell, Dean of Women—Paul Heberling, Dean of Men—a friendly smile ... a cheering word ... a tower of strength in troublesome times ... never too busy to lend assistance.

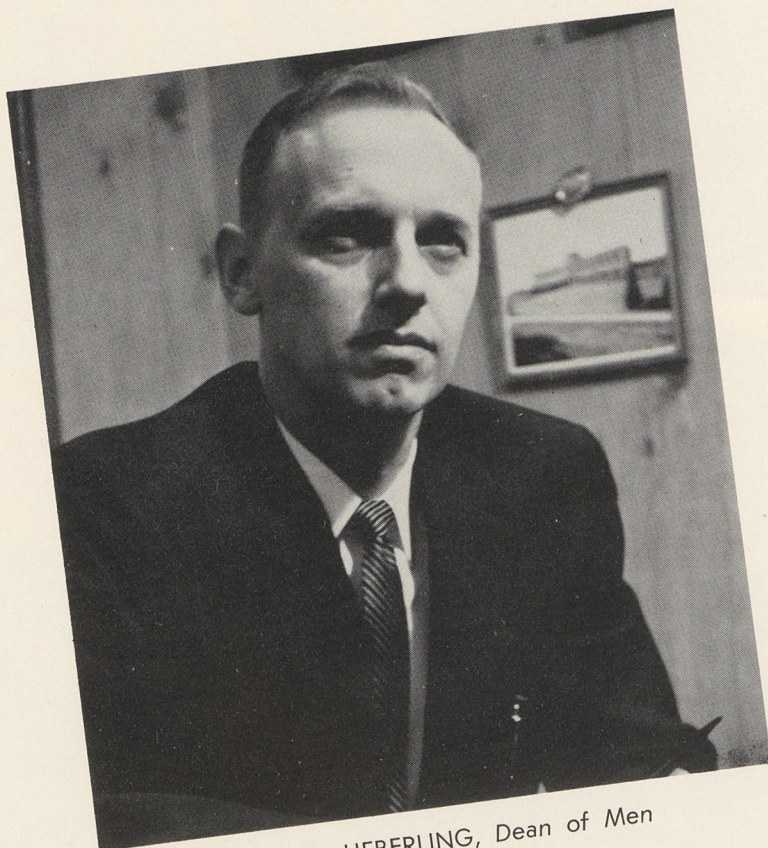

Dean Mays, second-in-command, serves as respected head of the academic program ... possessor of a doctorate in the field of philosophy ... a schedule filled to capacity with advisory conferences, meetings, classes and office routine ... Ever pleasant and eager to aid ... no problem is too insignificant for his consideration.

Confidant, advisor and friend to "her" girls, Dean Bechtell is on round-the-clock duty ... A Senate advisor, she also serves on Campus Judiciary. ... Her wholehearted interest and devotedness are apparent. ... Genial hostess who is often called upon to be "jill of all trades."

A newcomer this year, Dean Heberling came to College Hill with a dearth of experience especially in the field of psychology ... Genial and well liked, he also fulfills the capacity of placement director. ... Sees to it that JC males are housed and taken care of.

PAUL M. HEBERLING, *Dean of Men*

BARBARA BECHTELL, *Dean of Women*

STORY OF THE YEAR AT J.C.: "FLU EPIDEMIC" PLAGUES JUNIATA'S CAMPUS

New Infirmary

It all began Sunday, October 6, when seven JCers were admitted to the infirmary. By Wednesday, October 9, over 40 students had hit the lily whites and Mountain Day was cancelled, a low blow to campus morale.

Beds filled the recreation room and the dining hall in East Hall and soup flowed down the throats of Juniata's too weak even to complain. (This gives an idea of how serious the whole affair was!)

With more and more collegians getting sick each day, an arbitrary entrance requirement of 102° F. temperature was set up, and a new tradition was shed: Music to Cough By.

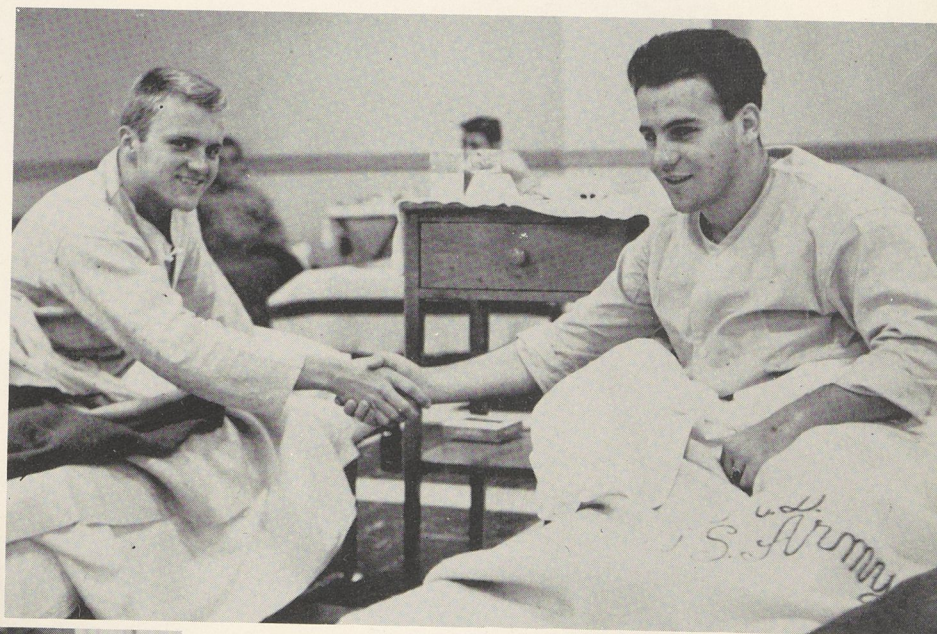

Infirmary facilities were stretched to the breaking point and so were the nerves of the nurses who had to listen to the complaints of Juniata's who were "...much better now. May I leave? When do you think I can go?"

Nurses Barb Over and Sandy Wilson kept on taking hundreds of temperatures, giving hundreds of back rubs and passing out thousands of pills and bottles of the cough medicine which suddenly became standard collegiate equipment. They were greatly aided by Dr. Patterson, Dean Bechtell, Mrs. Horoschak, Mrs. Shriner and Bill Germann who patiently did all they could to make things easier.

Dr. William B. Patterson, Sandra Wilson, R.N., Barbara Over, R.N., Dr. William B. West.

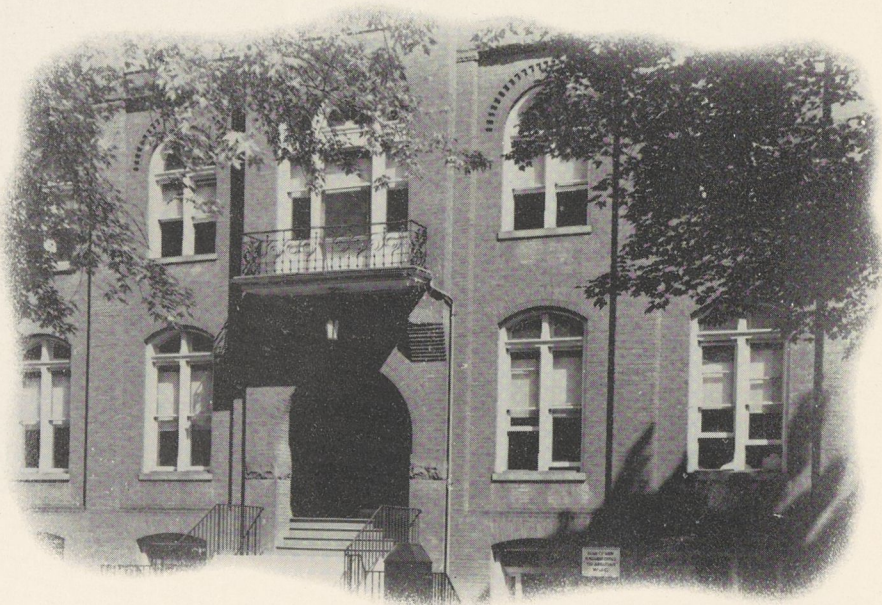

MEDICAL STAFF PLAYS IMPORTANT ROLE

"I passed the 102° mark, too!"

"Honest, Doc, I'm fine. . . . Can I leave now?"

Commencement Day arrives . . . a college career draws to a close . . . with sheepskin tucked proudly under his arm, the senior leaves College Hill to return in the future only as a visitor. . . . Gone are the carefree dormitory days . . . the endless hours spent in classes . . . afternoon labs . . . and gone too are the weary evenings of studying for an "hour writing session" . . .

SOPHOMORES, CLASS OF 1960

We . . . the members of the class of 1960 . . . have reached one more milestone along the pathway to educational fulfillment . . . behind us are . . . those last few days of summer which seemed to pass more slowly in view of oncoming reunions with friends . . . freshman days . . . we rallied unitedly to curb the rampant enthusiasm of the class now overtaking landmarks once familiar to us . . . Christmas . . . Founders' Porch, a church . . . class spirit as joyous as the carols that nightly penetrated the chilly air . . . Looking to the future . . . we are not clairvoyant . . . the road winds endlessly . . . but we shall move forward together until ultimately we realize that coveted goal . . . success.

ALL-CLASS NIGHT

"Mr. Burr, the jury has reached a decision."

"And I'll see that he pays well for his snobbery."

"He told me I would deny Him before the cock crowed twice."

A man from Cyrene, Simon by name, took the cross upon his shoulders.

February 22 . . . a memorable night! Competition was keen as the classes vied for the coveted silver cup in the traditional All-Class Night program. The theme . . . history.

The seniors presented a suspenseful tale of two brothers who planned to murder each other in a cathedral . . . This was the Age of the Renaissance Despot . . .

Second on the program was the sophomore interpretation of the Peggy Eaton Affair . . . "King Andy" champions the cause of one-time bar maid, Peggy O'Neil . . .

The Cock Crowed Twice . . . a view of the Crucifixion as seen through the eyes of Simon Peter . . . Successfully presented by the freshman class . . .

TEN LITTLE INDIANS

"Ten little Indians, going out to dine; one choked himself, and then there were nine" . . . This verse, and nine more, had a strange meaning to eight assorted guests and two servants invited for a weekend to a "Byzantine mortuary" on a deserted island off the coast of Devon.

While the guests are assembled for cocktails, a voice comes out of the air, accusing everyone present of a murder—not the kind punishable by trial, but still a murder . . . While the guests are trying to recover, one of the ten Indian Statuettes falls off the mantelpiece and smashes, whereupon one male guest promptly chokes to death on cyanide of potassium which is in his drink . . . The first one is gone and nine to go . . . Similarly, eight guests are dispatched until only two remain

KEEPS AUDIENCE IN SUSPENSE

Agatha Christie's "Ten Little Indians" presented a real challenge to director James Bray and the cast, who came through with a stupendous performance . . . Juniata Grad Provides Room For Red-Haired Coeds Only

Huntingdon, Pa., Aug. 17.—Redheads are finally coming into their own—at Juniata College, at least.

When a new dormitory for women is dedicated on November 2, there will be a room marked "for redheads only."

Harold Brumbaugh, speaking for the college trustees, says that for the exclusive sign goes up on room 201, whose furnishings were presented by Captain Will Judy, class of 1911, a Chicago publisher.

Plaque Honors Wife

The sign actually is a plaque, bearing the inscription, "In honor of Ruth Judy, Titian-tressed wife of Will Judy, 11."

Far from feeling hampered by the restriction on the room, the college official said:

"We believe we will have a plethora of applicants. The room's decor is in pale gold, in keeping with the Titian-tressed idea."

"We believe history has not been fair to the redheads. The ancients thought of the reds as redheaded, warlike and uncontrollable. Even the Egyptians kept a tab on red-headed women lest they turn into witches."

Redhead Fable

(Overlooked by Brumbaugh, evidently, is Webster's definition of redheaded: "red-haired; hence, excited or easily excitable to anger.")

Brumbaugh says Juniata favors the belief of the New Zealand Maori, who "consider red-headed people fortunate as they

I'M ONE REDHEAD WHO
CONTROLS HER ANGER!

are assured of a short, straight way to the Maori heaven."

The redheaded American coed may not care about a place in the Maori heaven, but the assurance of a room in a college dormitory—well, that's heavenly.

194 Admitted To Infirmary Due To Influenza

The revived nurses at the Juniata College infirmary caught their second breath today and announced the total number of patients quartered in the regular and temporary infirmaries during the flu outbreak at the college.

A total of 194 students were patients in the infirmary during the epidemic. Of this total, there were 109 men and 85 women. Most of the patients stayed in the infirmary three to five days.

There are 634 resident students at the college, 372 men and 262 women.

The nurses at the college reported that a large number of students were treated at the infirmary, but not admitted and others were treated at their rooms.

Flu Increases At Juniata

Exhausted nurses at Juniata College reported today that number of persons hit with flu-type illness that has been sweeping the campus for nearly two weeks, increased again yesterday.

There were 55 patients in the regular and temporary infirmaries at the college this morning. Yesterday a total of 49 students were in the infirmary after a low of 37 was recorded yesterday morning.

The increase was a blow for college officials who were hoping that a one-day vacation yesterday would help break the force of the outbreak.

The vacation resulted when one-point Mountain Day was cancelled and classes were held off.

FOOTBALL TEAM GOES UNDEFEATED FOR FOURTH TIME

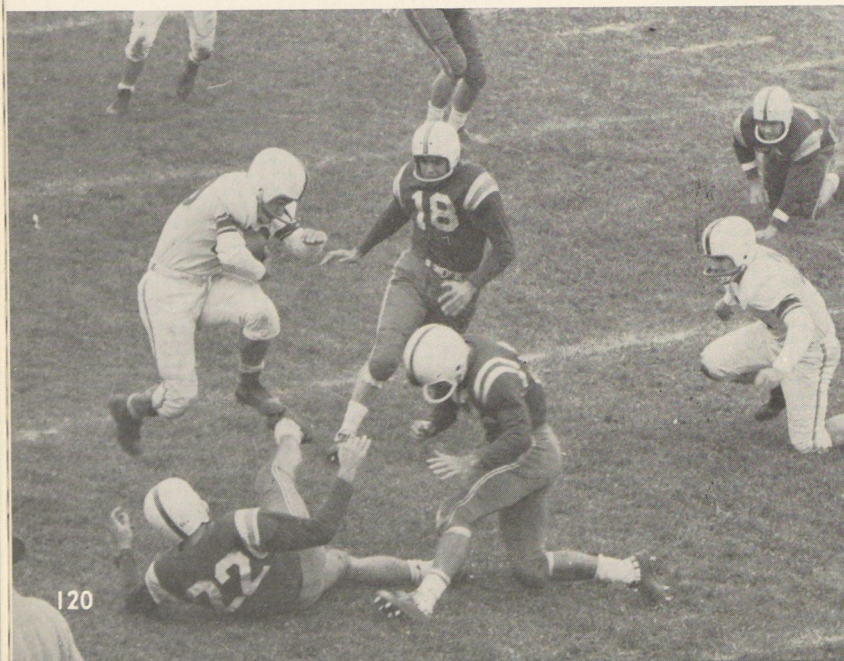

"Undefeated" was the word on College Hill as Coach Ken Bunn's gridders blasted seven straight opponents and shattered six all-time records in the process.

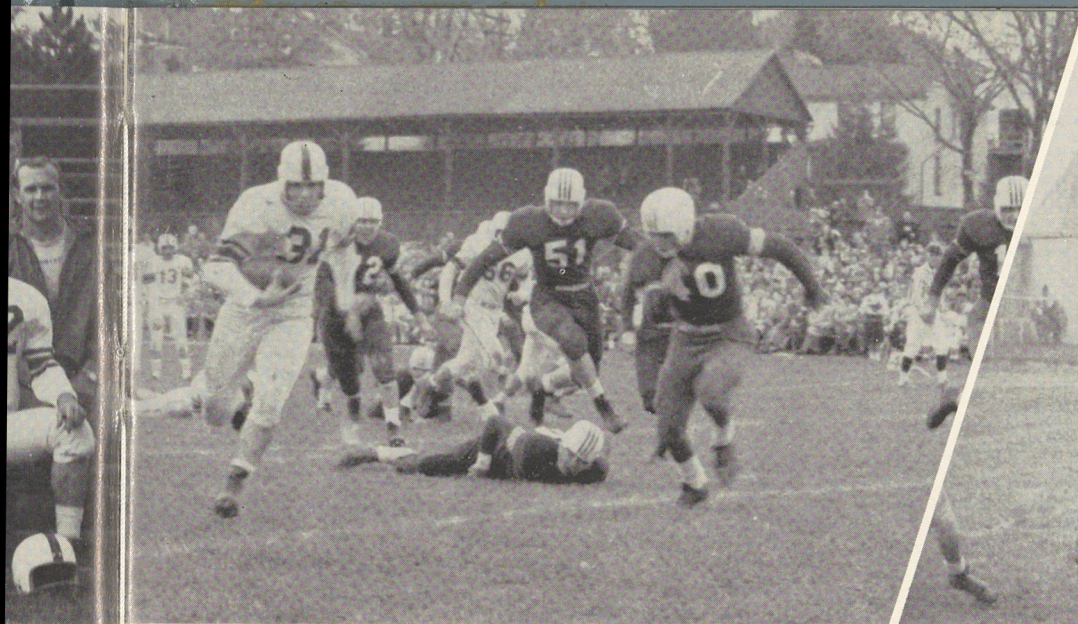

The Tribe opened against Drexel in Philadelphia where they humbled the Dragons, 47-0, this was Drexel's worst home defeat in 31 years. Halfback Jim Berrier got the team off to a fast start with two quick first quarter touchdowns.

The "flu bug" forced Moravian and Lycoming to cancel their games on successive weekends. Lycoming snapped our 25 game unbeaten streak in '57 and their visit to Huntingdon was to have been the "game of the year."

Joe goes up and over.

Schott blocks, but ball carrier hits dirt.

Bill Berrier—off and running.

Pigskin eludes blue-shirted Indian.

Kutztown State Teachers College replaced Lycoming only to become the second victim, 46-0. Quarterback Bob Schwalenberg passed to ends Ken Opipery and "Moose" Krause for two touchdowns and ran for a third.

Westminster came to town with a single loss in their last 25 games. They went home with their second, 26-7. Fullback Bill Berrier notched 20 points on three touchdowns and two extra points. Co-captains Bernie McQuown and Bill Schott and guard Ken Fassnacht spearheaded the line play.

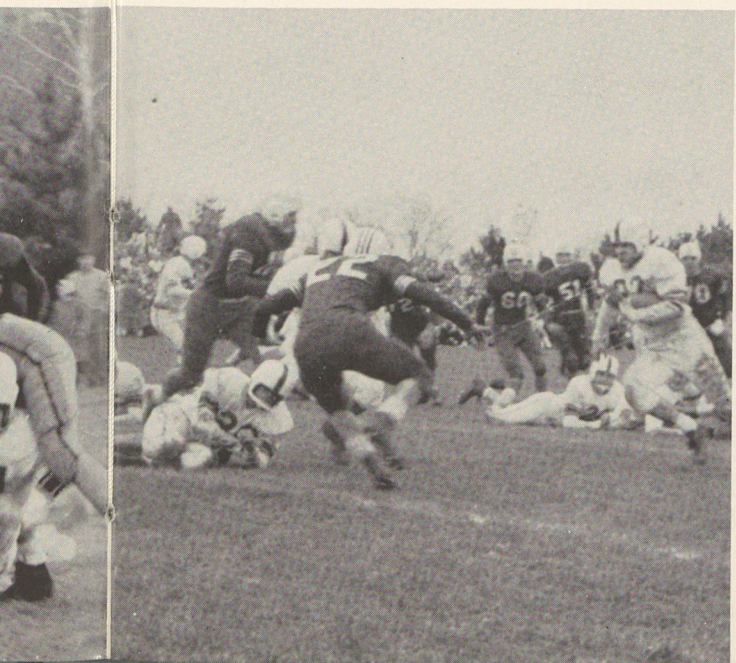

Wilkes became the fourth victim, 38-0, before a combined Homecoming-Parents Day crowd. The Colonels held the score to 6-0 at halftime before a 26 point third quarter uprising. Penn Military College provided stern opposition in Chester. The defense stood out as tackles Al Dungan and Bernie McQuown recovered timely fumbles which aided a 14-0 victory.

Albright fell before a crushing scoring attack, 40-13, in Reading. It was the first win over the Lions in seven tries. Halfback Joe Sopata ran wild, Bob Devlin scored three times and center Tony Chirico was outstanding.

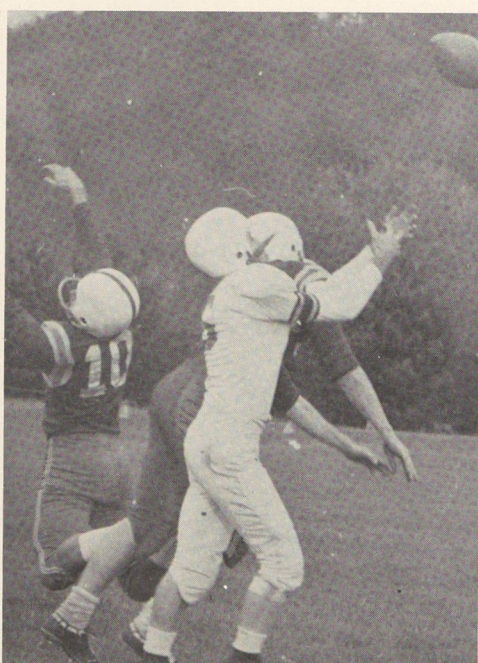

Ursinus stood as the last obstacle to another spotless record as they invaded College Hill. The result was a 42-7 rout in which fullback Bill Berrier scored 22 points—enough to tie for the state scoring lead. Seniors Tony Chirico, Ken Fassnacht, Bernie McQuown, and Bill Schott closed their careers in a blaze of glory.

The unbeaten season gave the Tribe a 36-1-1 mark over five years and six new grid records. The team amassed 256 points while limiting opposition to 27, set a new rushing mark per game of 262.8 yards and accounted for three defensive records—75.6 yards rushing, 53.7 passing and 129.3 total yards per game.

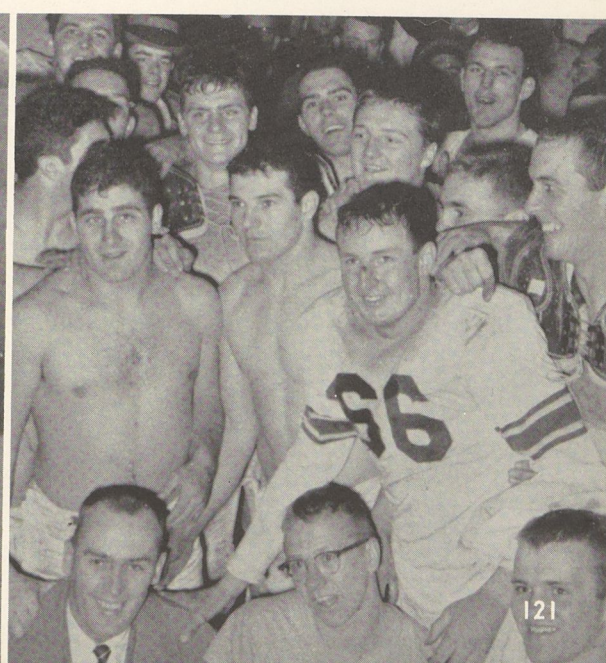

Jim Berrier heads for trouble.

JC prevails as opponents fall.

CROSS-COUNTRY TRIUMPHS OVER ALL

Not to be out-done by the football team, coach Mike Snider's cross-country squad, in just its second year of intercollegiate competition, went undefeated last fall.

Led by freshman Don Layman, who won all four of the dual meets and established the Juniata course record, which was set last year by his brother, Herb; the Blue and Gold harriers won four straight meets. Juniata finished seventh in the Middle Atlantic Championships at Philadelphia to finish the season. This gives cross-country a lifetime slate of seven wins and one loss.

Layman was closely backed up by junior Herb Deuchar and sophomore Frank Hrach as JC vanquished Muhlenberg, Franklin and Marshall, Albright and Elizabethtown. The Moravian meet was cancelled due to the flu. Rounding out the letter winners were junior Bill Lafe, freshman Chal Dilling and sophomore Jim Pettit.

BASKETBALL TEAM PLAYS MANY CLOSE ONES

With just two members of last year's starting five returning, Coach "Doc" Greene found his work cut out for him to produce another basketball team with a better than .500 mark.

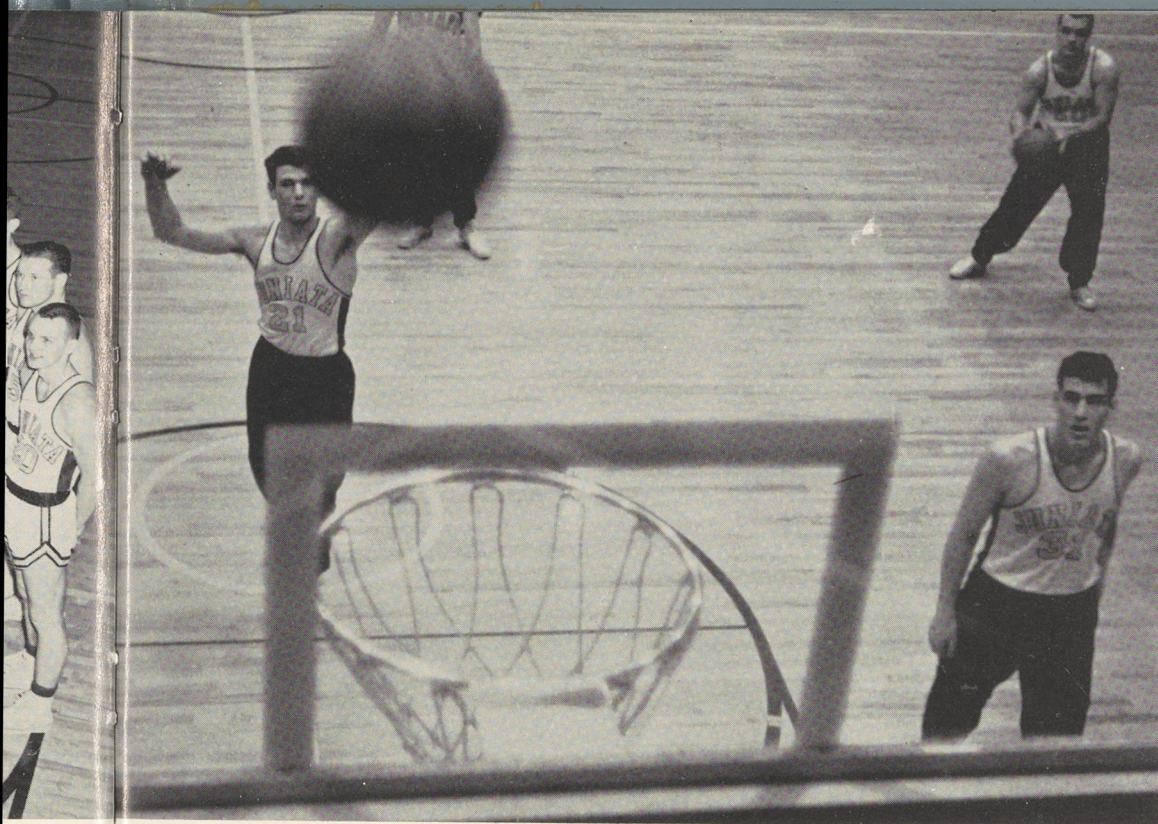

The Indian cage team, rolling along above .500, suffered a severe blow at mid-semester when high scorer Curt Gardner and top rebounder Bob Ewald, along with reserves Mike Miller and Fred Yun, were placed on academic probation. The picture brightened as freshman Jack Heading began to average better than 20 points per game after gaining a starting berth and JC continued with an even up record.

This combination of few returning starters and probation hitting the team did not seem to quell the spirit of the Indians. This can be laid in a large measure to the leadership of Captain Mike Armstrong, the lone senior on the cage squad. Aiding Mike's lead was the other returning starter, Gordie Ewers, who was a steady point maker all season. Backing them up was the freshman surprise package Heading, and the much improved Ron Wertz and Pete McCauley. After mid-semester, Al Dungan took over the center post and did much by way of his clutch tallies and rebounding. Also moving in after mid-semester was Barry Sipes, who became the sixth man on the team.

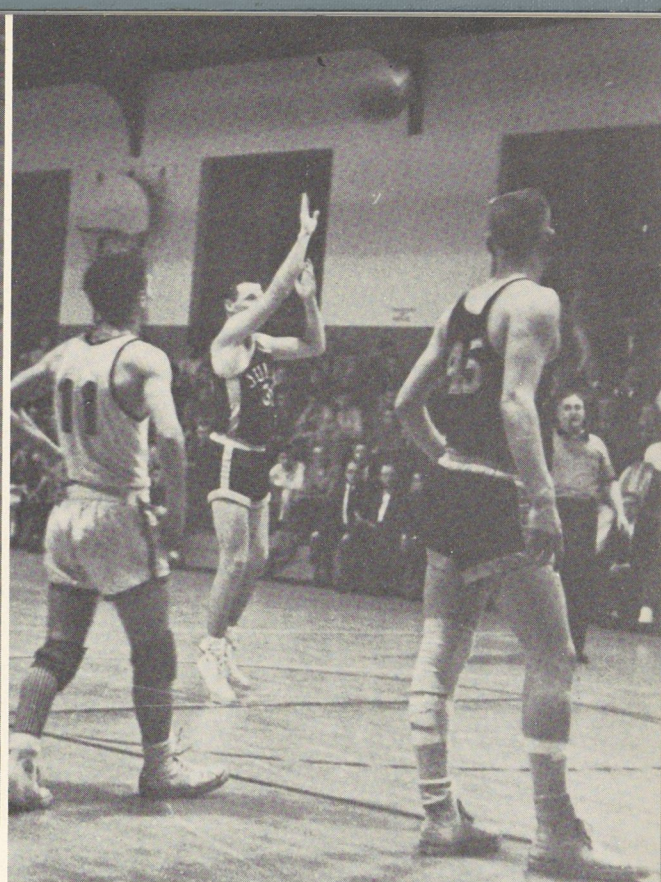

As a whole the Juniata team was a pleasant surprise to its fans. Early in the season it nearly upset Geneva, 60-59, and then went on to gain a 4-2 log by final test time. In early February the Blue and Gold pleased the campus by battling highly-rated American U. to the wire before losing and by defeating Elizabethtown on the home court. In the last game of February the Indians again pleased the home fans by scaring NAIA-bound Indiana 'STC before bowing, 81-79.

TRACK TEAM

Coach Mike Snider's thinclads finished the 1957 season with a record of one win and five losses. Despite this record, the team showed some outstanding abilities and an abundance of enthusiasm which should bring to Juniata a high calibre track team in the near future.

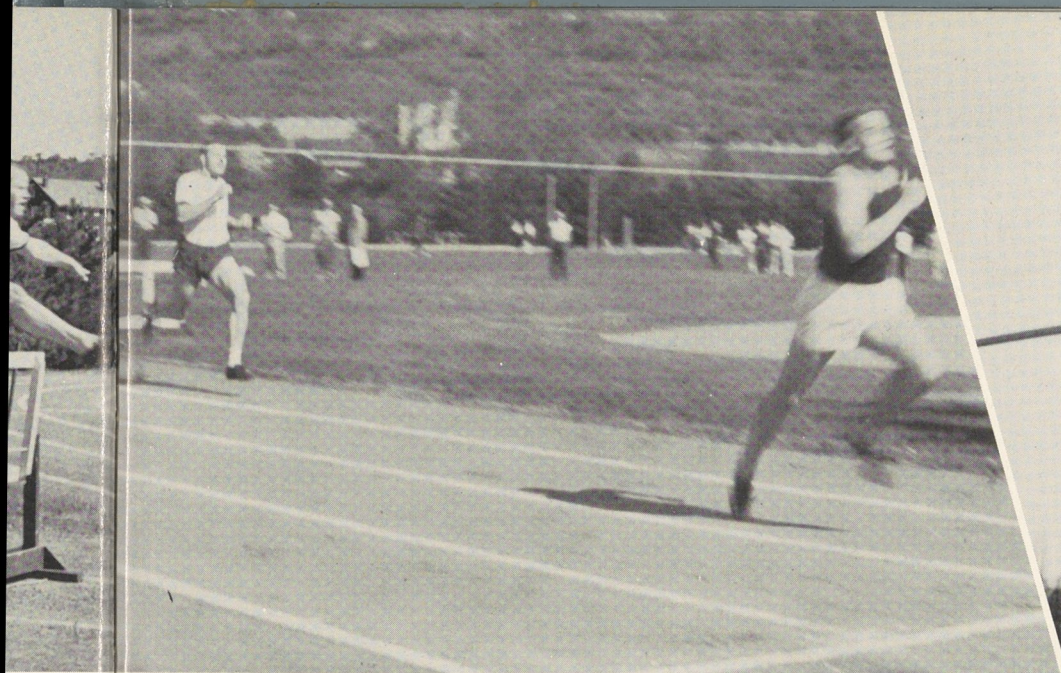

After losing to Lock Haven and finishing second in a triangular meet with Albright and Lebanon Valley, the Blue and Gold cindermen defeated Muhlenberg for their single win. Other losses came at the hands of Bucknell, Dickinson and Shippensburg.

Dick Johnson established a new school record for the javelin throw in the Lock Haven meet when he heaved the javelin 181 feet replacing the old mark of 179 feet.

Junior Herb Deuchar and senior Herb Layman were the leading point producers for the Indians with 55 and 51, respectively. Layman, the lone graduating track man, won the mile run in every meet except Lock Haven, when he finished second. At Shippensburg he missed a new mile record by .4 of a second. Layman was also awarded the J. Foster Gehrett Award as the outstanding member of the squad.

TENNIS TEAM

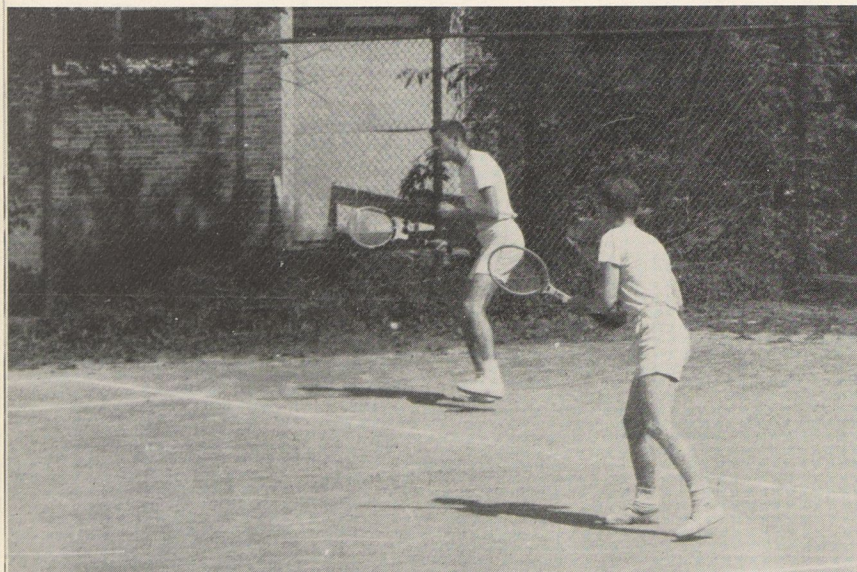

The 1957 edition of the tennis team posted a three won six lost record under faculty manager Rev. Bob McFadden. Don Randall, junior from Oradell, N. J., and Don Ruhl, four-time letterman and senior from Lititz, shared top man honors. Other lettermen included senior Don Murdoch, juniors Chuck Seeley and Del McQuaide, and freshman Curt Gardner.

The Indians got off to a bad start dropping identical, 3-6, scores to E-town and Albright. Randall and Ruhl salvaged the singles victories against E-town while Gardner and Staley won against Albright. Bucknell visited College Hill with the best JC would see all season. John Staley got the lone win in a lopsided, 1-8, defeat.

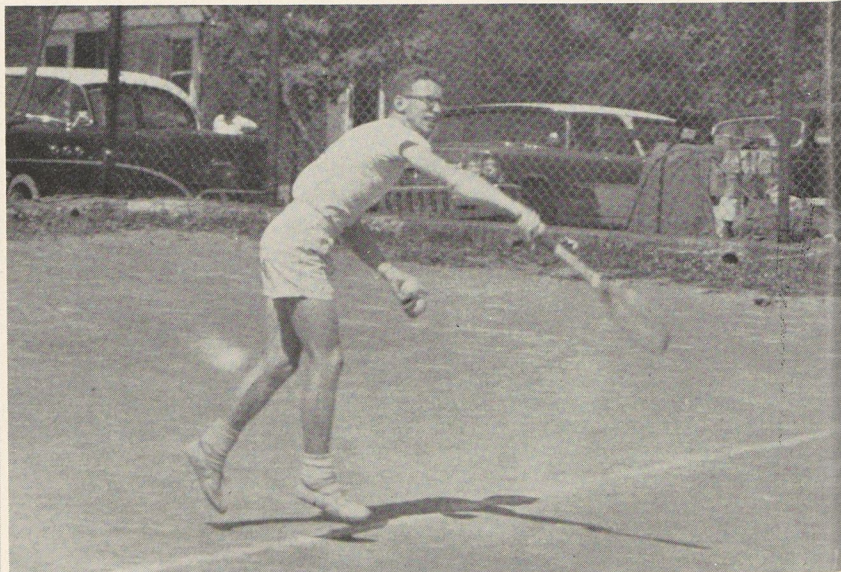

Victory was near at hand when Lycoming visited, as Randall, Murdoch, and Gardner took singles victories. The Lycos took 2 of 3 doubles, however, adding our fourth straight defeat, 4-5. Turn about being fair play, Rev. McFadden's team traveled to Williamsport where this time our doubles clicked and with it a 5-4 victory.

Indiana STC and Dickinson put a quick damper on events garnering 3-6 and 0-9 victories, respectively. The tide turned at this point as St. Francis fell, 8-1, and E-town, 7-2, putting a good finish on an otherwise dismal season.

Gardner broke even in singles matches, 4-4, to lead this department. Murdoch and Seeley were impressive in doubles chalking up 6-1 and 6-3 records. Ruhl was voted "most outstanding" by the team.

GOLF TEAM

Completing the 1957 season with a one win, seven loss record, the Indian linksmen of Coach Bill Germann can only look to the future and hope for better campaigns.

Only two lettermen, Dick Hite and Dick Mumma, were on last year's squad and this factor can, in part, explain the dismal record. The remainder of the squad consisted of two freshmen, Jay Gettig and Pat Conners. Gettig and Neil Beefelt were the high point men for the Indians, both finishing the season with identical, 2-6 records. However, Coach Germann can look forward to much better seasons with a squad bolstered by three returning lettermen.

Gettig, a freshman from Verona, Pa., was awarded the C. Blair Miller golf trophy for his "excellence in performance, good sportsmanship and cooperation."

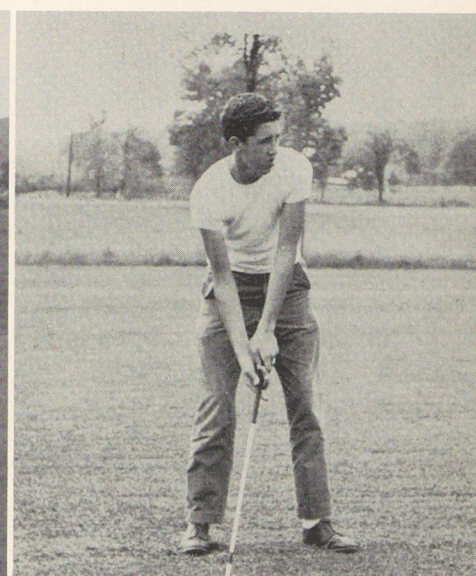

The two losses from the squad as a result of graduation were Neil Beefelt and Dick Mumma.

As has been the custom in recent years, the linksmen once again participated in the Middle Atlantic Golf Tournament. The high caliber of play among the participants was too much for the Indians, who nevertheless, finished in a respectable twelfth position.

The lone Indian victory came at the expense of Western Maryland who bowed by a 12 1/2-5 1/2 score.

Everyone's close.

Jay Gettig takes aim.

Front row, left to right: J. Berrier, P. McCauley, R. Moyer, G. Harrison, D. Ross, F. Alderfer, D. Shover, E. Beers, B. Berrier. Back row: K. Bunn, coach; R. Donnelly, P. Over, J. Ake, N. Donner, W. Berkey, N. Roth, H. Musselman.

Topping the spring sports schedule, Juniata's baseball team produced its best record in 25 years.

The Indians under coach Ken Bunn collected 11 victories in 14 contests including eight straight over Middle Atlantic Conference opponents.

Pacing the frosh-dominated nine in both hitting and pitching, Ferrill "Lefty" Alderfer, senior from Souderton, captured top honors in these departments and won the Goodale trophy as "most outstanding."

Playing the outfield when he wasn't pitching, Alderfer slammed 22 hits in 51 trips for a .431 norm. While toeing the mound, he won five of six decisions and had a 3.30 earned run average.

Five freshman regulars—Don Ross of Harrisburg, George Harrison of Jerome, Ron Moyer of Weissport, and the Berrier twins, Bill and Jim, of Harrisburg—followed as the most consistent in the batting department.

Third baseman Ross was second to Alderfer in hitting with a .361 average and also led the team in home runs with three and RBIs with 20.

First baseman Harrison and outfielder Moyer also made the elite .300 club by hitting .360 and .340 respectively. Bill Berrier, an outfielder, batted .296 while infielder Jim Berrier hit .286.

A freshman pitcher, Pete McCauley of McKees Rocks, boasted the lowest earned run average with 2.91 while winning six and losing two.

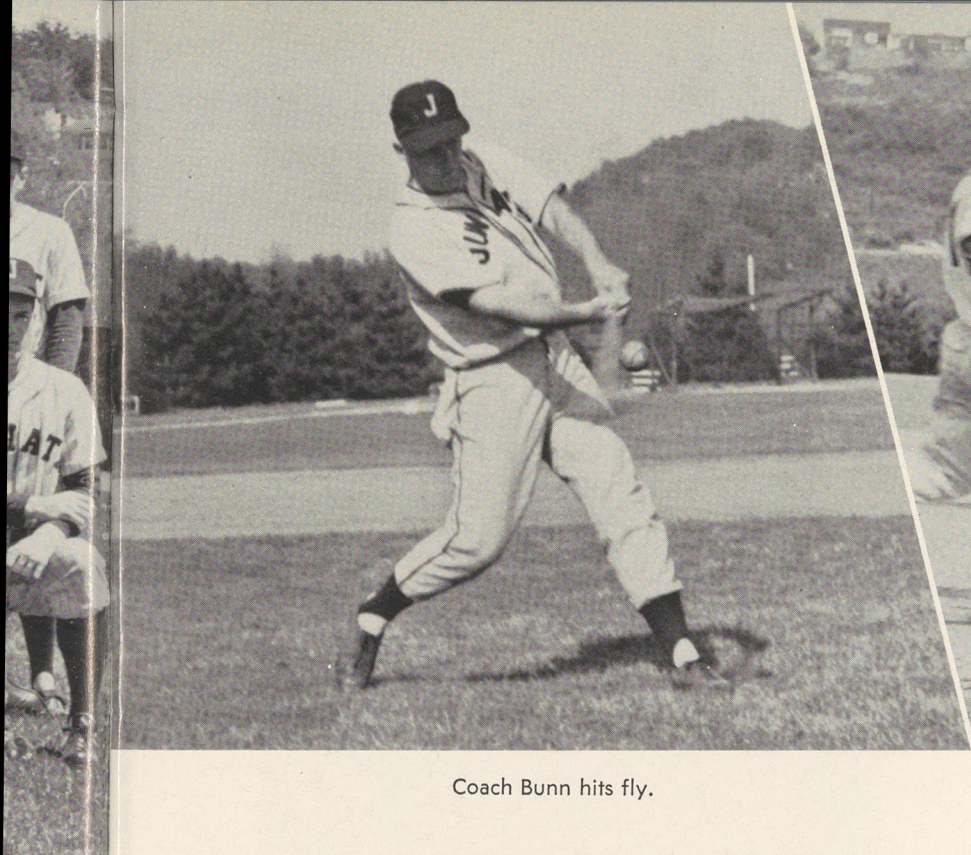

As a finale to the 1957 season, the Varsity came from behind to top the "old pros" 5-4 on Alumni Day.

Responsible for the pep of the Juniata student body at football and basketball games this year were eight vivacious JC co-eds, who comprise the Blue and Gold cheerleaders. These cheerleaders were joined during the football season by an acrobat and the Juniata Indian.

Janice Gilroy was captain of this year's squad, which led cheers at all the football games and all the home basketball contests. Other members of the cheering squad were senior Nancy Hess, sophomores Carol Beard and Jill Muir, and freshmen Bev Cline, Mary Taylor, Jean Davies and Judy Knepp. The acrobat was Charlie Longenecker, senior, and the Indian was Cary Shaner, sophomore.

INTRAMURALS

For the Juniata student who does not take part in varsity athletics, the athletic department of the college, in conjunction with student government, provides for a well-rounded intramural program. This program, which is for both men and women, is under the direction of the Senate Chairman of Athletics.

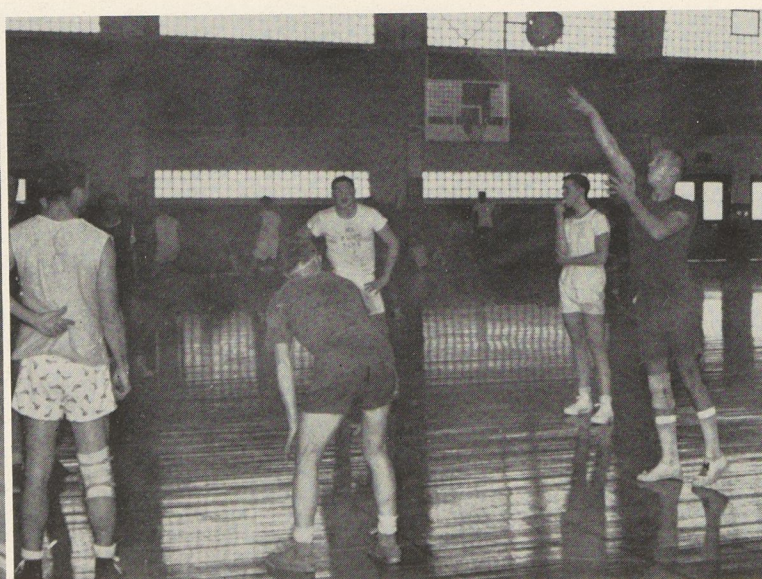

The IM program schedules contests in touch football, basketball, golf, tennis, wrestling, bowling, softball, and women's hockey and basketball. Judging by the amount of participation, the IM program is extremely popular.

ACKNOWLEDGEMENTS

Many ideas, many people and many hours combined to make the production of this yearbook possible. We, the editors and staff of the 1958 ALFARATA, hope that you, the readers, find this a memory provoking annual. This book was made with the student in mind and we hope it has captured at least a segment of your life on College Hill.

Now that the many hours of planning and working are over, I would like to take this opportunity to thank everyone who helped me produce this 1958 ALFARATA. I want to give especial thanks to Pete Fahrney, my Photo Editor, and his fine staff of photographers, Bruce, Andy, Rick, Stan and Jack who devoted many hours and many nights to the taking and developing of the pictures you see in this book. I also want to thank Nev Albright, our commercial photographer, for his fine work and co-operation.

Thanks must also go to Barb Smathers who whipped her writers into action; Sam Shore, the money maker, and his staff; Chuck Brown who with his staff caught all the highlights of JC's sports year; Nina Fredenburgh and her keyboard wizards; and Jackie Rhodes, Ann Larkin and Carole Miller who had to worry about the spellings of all those names. And while you are looking at all the photographs, let's not forget B. J. Bowman and her captions.

Happy looking, everyone.
